

# Privacy and Data Management Policy

The purpose of this Privacy Policy is to define the principles and rules for the handling of personal data made available to the Sámántánc Foundation (7632 Pécs, Nyárfa utca 17., Hungary), which operates the Rockmaraton Festival website.

The Rockmaraton Festival website can be visited freely by everyone without registration and providing personal data. During website visits, the technology used on the website employs certain data (e.g., IP address, browser type, date and time of entry) known as "cookies", which help enhance the user experience and understand which information and advertisements are most interesting and useful to visitors. The statistical and personal data obtained this way are managed by the Sámántánc Foundation.

By using the rockmaraton.hu site, you consent to the use of cookies and also accept the relevant parts of the Privacy Policy. This policy applies to any website or third-party (including social media) platform related to the Rockmaraton Festival, which are accessed or used through websites operated by or on behalf of the Sámántánc Foundation or on third-party platforms (hereinafter referred to as "our websites").

If you do not agree to the use of cookies in this way, you need to disable the cookies we use in your browser or avoid visiting our websites.

The Sámántánc Foundation exercises heightened diligence in the handling and protection of personal data, ensuring lawful processing through the application of appropriate technical tools, organizational measures, and internal policies. Personal data is stored only as long as necessary for the use authorized by the user, unless otherwise stipulated by law. Apart from data processing based on consent, personal data is handled or transferred only in cases mandated by law. The personal data provided to us—except for the data processors listed above—are transferred to third parties only with the prior and explicit written consent of the individual concerned.

You can unsubscribe from the newsletter at any time by clicking the "Unsubscribe" link found in the footer of the newsletters—along with this, your data stored in the system will automatically be deleted.

You can request the modification or deletion of your personal data at any time, without justification, via email at [info@rockmaraton.hu](mailto:info@rockmaraton.hu) or by mail (7632 Pécs, Nyárfa utca 17., Hungary). The Sámántánc Foundation, as the data controller, will comply with requests for deletion/modification sent to the [info@rockmaraton.hu](mailto:info@rockmaraton.hu) address promptly, and no later than 15 days from receipt (in the case of postal mail).

## Legal Basis

- The Act CXII of 2011 on Informational Self-Determination and Freedom of Information;
- Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation);
- The Act XLVIII of 2008 on Economic Advertising Activity;
- The Act CVIII of 2001 on Certain Issues of Electronic Commerce Services and Services Related to the Information Society.

Rights related to data processing are also contained in other provisions of Act CXII of 2011.

### **Legal Remedies**

If you believe that your personal data is being handled unlawfully, you can object in writing to the data processing using the contact details provided above. Your objection, along with the suspension of data processing, will be promptly reviewed, no later than 15 days following the receipt of the request, and you will be informed of the outcome in writing. If we miss the deadline or fail to comply with the requests contained in the application, you can seek legal recourse at the Pécs Court or the court competent according to your place of residence or stay, or you can initiate an investigation with the National Authority for Data Protection and Freedom of Information (NAIH).

### **Contact**

If you have any observations, questions, or suggestions related to data security or data protection:
